

HD CABINET - BELT DRIVE

PRESSURE KING
Pressure Washers & Steamers Sales and Service

Industrial throughout.

Our cold-water cabinet units really take the heat, accepting pre-heated water up to 145°F. Protected in durable stainless steel cabinets, they demonstrate industrial strength throughout, including belt-drive Kärcher crankcase pumps, industrial motors, and magnetic starters for operator safety.

1 Safety features and optional wheel kit with detergent rack

- A thermal pump protector to prevent the buildup of excessive pressures or heat.
- Time-Delay Shutdown automatically turns off unit, if not in use for a set time, for protection against unattended operation
- High-Pressure Pump (with 7-year warranty) by dual, V-cogged belts.
- Pulleys are made of cast iron and can be easily adjusted by turning two bolts
- Take the HD Cabinet mobile with the optional stainless steel wheel kit with detergent rack.

2 Floor stand

- Mount to floor stand to centralize cleaning

3 EASY!Force trigger gun

- EASY!Force trigger gun with cruise control like technology uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use.
